# User Login

A screenshot of a web application window titled "User Login". The window has a dark blue header bar with a small icon on the left and standard window controls (minimize, maximize, close) on the right. The main content area is light gray. In the center, the text "USER LOGIN" is displayed in a large, bold, black font. Below this, there are two input fields: "USERNAME" and "PASSWORD". The "USERNAME" field is a white rectangle with a blue border and a vertical cursor. The "PASSWORD" field is a white rectangle with a gray border. To the left of the "PASSWORD" field is the label "PASSWORD". Below the input fields, there are three buttons: "Admin Login" (a large, light gray button with rounded corners), "Login" (a smaller, light gray button with rounded corners), and "Reset" (a smaller, light gray button with rounded corners). Below the "Login" and "Reset" buttons is a single, wider button labeled "New User".
